Alberta Farmers Union Opens Sixth Annual Convention at Masonic Temple Here

**Non-delivery strike on grain only, if proposed adjustments in farm produce prices are not effected, was urged Monday at the Alberta Farmers' Union convention in the Masonic temple.**

The price of wheat should be \$2 a bushel, basis Fort William, for the 1948 crop, according to C. J. Stimpfle, AFU president, who delivered his official report to the convention.

The AFU head further said, "I maintain we cannot all suffer by and allow producing costs to increase without a corresponding increase in the produce we sell. Therefore I would suggest that this convention set a price for our production and service, and failing to achieve that price, after all other methods have failed, non-delivery of all grain be instituted."

Remember, grain only! I do not think non-delivery of all farm produce can be as effective as an commodity such as grain, because of its shortage in the world supply.

### France Backs West Germany Plan

LONDON, Dec. 1.—(AP)—Foreign Minister Bidault of France said today that if the London conference of foreign ministers fails to agree on the British and German plan, the French would merge with the British and United States men to establish a unified Western Germany.

### Bidault, Who Is Going to Paris Tonight for Conference with French Government Leaders, Stated This Position at a Meeting with French Reporters Shortly Before the Foreign Minister's Departure for the Second Week of his session at Lancaster House.

Meanwhile it was authoritatively reported that Russia had turned down today a French proposal for settling the issue of German assets in Austria, the chief barrier to completion of an Austrian peace treaty here.

The French plan has been under consideration by a committee of deputy foreign ministers who are due to report to the Big Four tomorrow. Action by the deputies may not necessarily be final.

### Life, Death Poker Stake

LAON, France, Dec. 1.—(BUP)—Life was a little slougher today for Dr. Emilie Huriaux, who had two women on his hands until a round of poker took one of them off.

He and his mistress, Yvonne Zamara, sat across a table from each other and he dealt out the cards. Mme. Huriaux kibitzed. Dr. Huriaux won. He and his wife left the room and as they closed the door behind them there was a pistol shot. When the police came they found the mistress on the floor dead.

"Suicide was the stake," he said as he left jail. "With all three of us alive life was an insupportable task."

### Produces 195 Barrels Per Hour Globe-Leduc West 3 Gets Record Oil Flow

Third straight success in the Leduc sector of the Edmonton Oil fields by Globe-Leduc West No. 3 well came in to production with the greatest flush flow of any of the previous 21 producers.

The most recent producer's record came from the D3 zone at 11:30 last night and then produced at the exceptional rate of 195 barrels per hour. Previous record on open flow in the Leduc sector was recorded at East Leduc, South Branch last week when this company's No. 1 started producing from the lower D3 zone at the rate of 95 barrels an hour.

This latest success is just a quarter of a mile west of Globe No. 2, a better than average producer, and the company's first success in the area. Big flow from this well will be moved about 100 feet to a site where a well-Globe No. 2 is being drilled.

## High Command of U.N. Speeds Partition Machinery

By Eliaz Simon  
 JERUSALEM, Dec. 1.—(BUP)—Violence which had taken 14 lives in the Middle East since the United Nations decided to partition Palestine broke out afresh in Jerusalem today as Arab leaders called a council of war to block the decision.

A POLISH JEW was shot and wounded gravely outside the Damascus gate here at midday. Officials said he was hospitalized with neck wounds. First reports of the outbreak had said the Jew was killed.

The Arab Higher Committee called a three-day general strike of the 1,000,000 Arabs in Palestine, beginning tomorrow. The committee bluntly termed the UN decision a "declaration of war."

THE ARAB LEAGUE summoned its leaders to meet Saturday in Cairo to work out a strategy for "defending Palestine for the Arabs."

In announcing the meeting, Premier Riyad Atrash of Lebanon, who will preside, voiced conviction that the present agreement never would be carried out.

A clamor of Arab protest arose all over the Middle East. The Arab League called a session in Cairo to discuss the situation. The Arab League called a session in Cairo to discuss the situation. The Arab League called a session in Cairo to discuss the situation.

**Ceilings Soon Off Commercial Rents**

By Dick Jackson  
 EDMONTON, Dec. 1.—(BUP)—The public works department today announced that it will be removing the ceiling on commercial rents.

The tip-off came in the disclosure that public works is securing many two-year leases as possible for its office space. The government rents. Even though the long-term contract involves a 25 per cent increase in the rental.

Conversely, public works as the "landlord" and rental agent of the government, is granting as few two-year leases as possible.

In its policy as both tenant and landlord for the government, the public works department wants to be in the position to help itself to the 25 per cent increase it will be paying on space.

Annually rental cost the dominion some \$210,000, and as a landlord the government collects about \$100,000.

PARIS, Dec. 1.—(BUP)—The Communist majority of the General Confederation of Labor hung an all-or-nothing challenge at the government today, announcing that it would never negotiate to settle France's chaotic strikes if emergency measures before the assembly break the way.

THE SUDAN broke out of fear toward negotiation served about notice that the Communists would plunge ahead with their program to battle the government all along the line, regardless of what happens.

## Producer Dies

LAKE SUCCESS, N.Y., Dec. 1.—(BUP)—The United Nations high command, inspired by the outbreak of Arab-Jewish violence in Palestine, called a special meeting today to speed assembly of the machinery for partitioning Palestine.

SECRETARY-GENERAL Trygve Lie called his staff together with hopes of organizing within two weeks the five-nation United Nations commission which will supervise the UN's transformation from a British mandate to two sovereign states.

British officials here disclosed, meanwhile, that Britain would retain control of Palestine for at least two and probably three or four more months. This would permit the UN with previous time for organizing the commission and establishing provisional councils of government in the projected Arab and Jewish states.

BRITAIN WILL REMAIN responsible for the UN's partition of the Holy Land during the two to four-month period between now and the UN's termination of its mandate. A key UN official said the UN commission would complete the UN's mission to make for formation of a Jewish home defense militia first and then an urgent task.

The militia will be the Jews' only protection from the time the British begin withdrawing their 80,000 army from the Holy Land.

ANDREW CORDIER, executive assistant to Lie, pointed out that (Continued on Page 2)

14 Churchill 73, Has Two Parties

LONDON, Dec. 1.—(AP)—Winston Churchill was 73 yesterday and celebrated with two birthday parties.

He was the honor guest at a luncheon given by Mrs. Churchill at the Navy hotel for members of his immediate family, Lord Moran, his physician and Lord Portal, marshal of the RAF.

Churchill's Conservative party leader himself entertained at the London residence. His closest friends, including Brendan Bracken, former minister of information, and Lord Churchill, his cabinet aide during the early days of the war—were there in addition to members of his family.

For a custom of former years, Churchill decided against a birthday message to his well-wishers. But they remembered him and hundreds of cables and letters of presents from parts of the world arrived at his home.

One of the presents which delighted Churchill was the painted in a ship by his twenty-year-old grandson, Winston, son of Randolph Churchill.

Churchill is still a problem to his doctors because even in his illness he resents any curbing of his restless energies and refuses to be separated from his cigars.

But he has his own methods of subsiding his energies. He stays in bed most mornings until noon, smoking newspapers, listening and dictating to his secretaries. He tries to take a nap every afternoon.

The statement offered no official explanation of what caused the deaths.

Plans to Return To Own Home

CALGARY, Dec. 1.—(CP)—Mrs. Alexandra Potts, 71-year-old lady who was treated for malnutrition in hospital after being discovered with a knife in her back at a southwest Calgary cottage, is to be discharged today. Dr. W. W. Hill, medical health officer, will inspect the property when Mrs. Potts returns to her home. While Dr. Hill might be able to persuade the woman that it would be to her advantage to accept other accommodation he can't force her to vacate if she wishes to stay.

## Calgary Crowding Regina

### Culley Sparks Attack As Stamps Stick Leafs

CALGARY, Dec. 1.—(CP)—Spotting the opposition one goal in the opening period, Calgary Stampedeers Saturday night routed back in the middle section to defeat Lethbridge Maple Leafs 5-3 in a Western Canada Senior Hockey League game before 5,200 fans.

The victory put Calgary into two points behind the leading Regina Pats with Stampedeers having two games in hand.

Don Culley speedily Calgary winger, routed through for three goals as Stampedeers proved they could come from behind as well as protect an early margin, the first Calgary tallies being counted by Bill Brown and Ken Hunter. Dick Gray and Grant Hall scored for Lethbridge.

CULLEY PICKED UP first point of his hat trick midway through the second period on a long shot from the left side of the net. Butch McDonald setting up a perfect screen by letting the puck dribble and bounce between his legs as the coasted backwards on goal. Mollie Hughes who had until it was in the right side of the net.

Culley's No. 2 effort late in the second period was a short shot from just outside the crease on McDonald's cross-goal pass. He had his third, in the final period, eliminated a beautiful free-throw passing play by McDonald and Archie Wilder.

BEFORE CULLEY started his personal scoring spree, he let fly a long shot from just inside the blue line during a Calgary power play. The puck headed for Hughes' left upper arm, first deflected under the caddy's arm, then into the goal.

In the second period, two Calgary goals, Bob Brown broke a jam that had trapped him many times by carrying the puck over the blue line, passing to Hunter and scoring. The relay with a neat shot to the right side of the net. Both sides were re-handled through the goal.

RUSS DETTELL, who kept Stampedeers in the game in the first period through some spectacular saves as Lethbridge attacked everything but pay off at the goal was a dead given when a Stampedeers shot and the puck bounced out straight ahead 12 feet to Gray who was under the net. The lead left to the right side behind DetteLL could move across the goal.

Leafs' other tally came from a passing attack at start of the third period, hit catching DetteLL out of position on a shot from just outside the crease.

Except for faint around the net and the difference in efficiency of the netminders played very even with Leafs getting in 28 shots including the goal.

## Rollins Lost

### To Flyers For 10-Day Period

Al Rollins, goalie for Flyers, will not be back in the Edmonton lineup for at least three games as physicians having ordered him to bed for 10 days for a rest.

Taken ill during the second period of the game at Regina last Wednesday and removed to hospital, Rollins was first thought to be suffering from appendicitis but diagnosis here reveals a gas-trouble. Complete rest and special diet have been prescribed.

COACH FRANK CURRIE also stated Sunday night that Jack Manson would be in the Flyers net for the 10-day period. "Jack gave a fine display against Saskatoon," said Coach Currie, adding, "in fact the whole club played well."

As for the Regina game, Frank said, "up to the time Rollins went out, I think we were the better team."

Flyers leave for Lethbridge to-night and the Flyers will be taking the trip along with Coach Currie and Trainer Doug Hardy. Louis Rollins will be an absentee for the important game against Maple Leafs, not being able to get away.

IN ADDITION to Manson, players going south tonight are: Bill Peterson, Doug Anderson, Bing Morrison, Al Cleveland, Elmer Knecht, Al Pringle, Fred Smith, Mervyn Alexander, Bill MacGill, Johnny Black, and Bud McPherson.

# One Borehead's Play Costs Bombers Hawks

## Plunge Instead Of Kick Opens Door For Argos

TORONTO, Dec. 1.—(CP)—On a single point pointed Joe Krol on the last play of the game, Toronto Argonauts capped a brilliant comeback by defeating Winnipeg Bombers, 10-9, here Saturday and won the Grey Cup as Dominion football champions for the third straight year in a thrill-drenched final.

That point came after Winnipeg fumbled everything on a play that the second-guessers could only term borehead — and lost the ball on downs to Argos. In their own end just when this East-West playoff appeared headed for the first overtime session in the history of Grey Cup finals.

IT WAS a bitter defeat for Don Hiner, who converted the place-kicker with a 62-yarder over Chicago Black Hawks Sunday night. The win was Argos' fourth straight.

THE CROWD of 12,608 fans, hoping to see the Red Wings hand the Bombers their first defeat since the 1957 Grey Cup final, waited in position for the night.

WINNIEPISIAU played 60 minutes of bone-crushing football and was as great defensively as it was offensively. The touchdown-labeled Krol forward with one hand and racing it to the end zone.

But it was Sandberg who, as Winnipeg signs direct drive with a fake-kick on third down, was second remaining on the ball on the Bombers 24, in the two-game Big Four title series and Ottawa Rough Riders when a last-minute fumble paved the way for a single point.

IT WAS a man who outshone Krol, who led to the victory for the Argos. Trailing 9-7 with five minutes to play, the Double Blue three times drove into range for Krol to kick again.

Those three points climaxed a standstill drive by Krol, who led to the victory for the Argos. Trailing 9-7 with five minutes to play, the Double Blue three times drove into range for Krol to kick again.

## Wins 21-0 Before 102,000 Army Subdues Navy For Fourth in Row

NEW YORK, Dec. 1.—(AP)—President Truman and 102,000 fans thrilled to Army's fourth straight victory over Navy Saturday at Philadelphia, 21-0, while in other feature games of the winning 1947 United States college football season, three conference championships were decided and the number of undefeated-until major teams shrunk to three.

Southern Methodist won the Southwest conference title by a half-game margin, but limited from undefeated status by losing a 14-13 tie with Texas Christian in the final 30 seconds of play.

Mississippi clinched the south-eastern conference title with a 25-14 victory over Mississippi State.

THE BORDER conference title was decided when Texas Tech upset favored Haggis-Simmons cowboy, 14-6 to win automatically a bid to the Sun Bowl at El Paso, Tex., New Year's Day.

Texas Christian will play Mississippi in the DePaul bowl at Memphis Jan. 1, while the Methodist will play undefeated-until Penn State in the Cotton Bowl at Dallas.

The Southern Methodist deadlock left only Penn State, Notre Dame and Michigan as major undefeated teams. Michigan is through, until its Rose Bowl engagement with Southern California Jan. 1, while Notre Dame tangles with undefeated but ousted Southern Cal at Los Angeles next Saturday.

OREGON STATE was its first game from Nebraska in six attempts as Dick Gray threw 37 touchdowns passes to give the

## Coast League Status Issue Strikes "Ice"

MIAMI, Fla., Dec. 1.—(AP)—Baseball opened its winter meetings Sunday three days before the national association convention starts, with a series of preliminary sessions designed to clarify the Pacific Coast League's big league ambitions.

In five minutes the American Association, issued cold water on the coast proposal for a special major-league status, turning down its resolution by a unanimous 8-0 vote.

PRESIDENT Frans Lane of the Association explained his league's action in forceful language as he said: "Why don't they quit trying to kid everybody else including themselves?" They had a good enough season, why not leave well enough alone? Under their proposal they'd be neither fish nor fowl.

Clarence Rowland, president of the Pacific Coast League, called a special session of his league Sunday and then went into a huddle with George Truettman, president of the national association.

"We are not trying to force this thing," Rowland said. "We have no intention of turning out if this is refused. Our big fight will come with the majors."

THE COAST LEAGUE is asking the right to be called the Pacific Coast Major League, still remaining a part of the minor league organization. It would be under the direct jurisdiction of Commissioner A. B. Chandler and the major league executive council.

This special major-league status would be created for a five-year

## Derby Upsets Arsenal 1-0 Notts County Runs Up 9-1 Against Horsham

LONDON, Dec. 1.—(Reuters)—The first round of the Football Association Cup play opened Saturday with teams from the English League's third division and other minor clubs participating. Notts County, southern section third division entry, piled up the biggest score of the day by overwhelming Horsham, leaders of the Sussex County League, 9-1.

IN THE SCOTTISH League Horsham took over the top honors in the "A" division by trouncing St. Mirren 5-0. Partick Thistle, last week's leaders, lost to Falkirk, 2-0.

In the "B" division Dundee's maintained its lead with a 5-1 triumph over Dundee United.

HORSHAM scored first when right winger Ron Smallwood made good with a drive 90 seconds after the game started. But when Lennon and his teammates began rolling Horsham was a completely outclassed team.

Other teams in the cup competition registered few big scores. Darkest ended tie games between City-Southport (1-1), Exeter City-Northington (1-1), Darford-Bristol City (0-0) and Bromley-Reading (2-2) among the better-known teams.

IN LEAGUE PLAY the biggest upset of the day was registered by Derby County which defeated previously-unbeaten Arsenal 1-0. Arsenal's first loss in 38 games did not remove them from first place in the first division. Burnley, the runners-up, battled to a 2-2 draw with Aston Villa. Preston North End dropped to third place after losing to Everton 2-1. West Bromwich Albion, second division leader, dropped a 2-1 decision to Bradford while second place Birmingham City was wiped by Cardiff City 2-0.
